Dawn,

As per my voice mail, the approach is acceptable. Paying half the invoice will leave the balance in the account over \$1 million. AS for the second half, or any additional invoices that may need to be paid before the next installment is due at the end of February 2014, that could be an issue but presumably the pre-payment amounts will be aimed at addressing that.

Thanks.

Sarah

Subject: LPRSA: CH2M Hill Invoice 38113031185 (1 of 3)

Stephanie and Sarah:

In follow-up to my voicemail exchange with Sarah today, we have issued assessments to the CPG for the next RI/FS Trust and RM 10.9 Trust payments due to US Bank on February 28. As funds are collected from the Group, we will make interim pre-payment(s) into the Trusts and keep you apprised.

In the meantime, the current balance in the RM 10.9 Trust is approximately \$3.394M. CH2M Hill's Invoice # 38113031185 covering October 2013 services is attached, but is in the amount of \$4,236,077.12. Therefore, in order to make a partial payment to Hill, we are processing half of this invoice in the total amount of \$2,118,038.56, as reflected in the attached claim certificate. I understand this process is acceptable, but please let us know if you have any questions or concerns. In accordance with the Trust Agreement and the attached Claim Certificate, the invoice (along with a copy of this notification to EPA and the Claim Certificate) will be forwarded to the Trust Fund Trustee, U.S. Bank, for payment from the Trust Fund.

Thanks,
Dawn
